Page No.2

Date Printed: 11/1/02

Common Name: Bird Feet Injection Fluid

Description: Preservative

Section II – Hazardous Ingredients/ Components

Hazardous Components:
Ingredient / Component

Non – Hazardous:
Ingredient / Component

Section III – Physical / chemical Characteristics

Ph :

Boiling Point: >275 F

Melting Point: N/A

Specific Gravity: (water = 1): 1.044

Vapor Pressure (mm Hg): N/A

Vapor Density (Air = 1): N/A

Evaporation Rate: N/A

Solubility in Water: Complete

Appearance and Odor: Light amber color, oderless

Section IV – Fire And Explosion Hazard Information

Flash Point (method used): Over 250 F

Flammable Limits: N/A

LEL:

UEL:

Extinguishing Media: Water, Foam or CO2

Special Fire Fighting Procedure(s): Wear full turn out gear and scba

Unusual Fire And Explosion Hazards: Could release hydrogen and so2 gas at high temperatures.

Common Name: Bird Feet Injection Fluid

Description: Preservative

Section V – Reactivity / Stability Data

Stability: Stable

Stability Threatening Conditions: Extreme Temperatures

Incompatibility With Other Materials: Strong oxidizing agents

Hazardous Decomposition Products: N/A

Hazardous Polymerization: Will not occur

Hazardous Conditions To Avoid:

Section VI – Health Hazard Data

Hazard To Eyes: Light irritation of eyes

Symptoms: Irritation

In an Emergency: Flush with water for 15 min. If conditions persist seek medical assistance.

Hazard To Skin: Low risk

Symptoms: Mild irritation

In an Emergency:

Inhalation: Low risk

Symptoms:

In an Emergency:

Ingestion: Seek professional medical assistance for advice.

Symptoms:

In an Emergency:

Medical conditions generally aggravated by exposure: Not known

Carcinogenicity:

Section VII Precautions For Safe Handling and Use

Action(s) to be exercised when Material is spilled:

Confine spill, absorb on drying materials

(Sand, sawdust, etc.) And place in drums for proper disposal.

**Safest method of disposal: Avoid entry into natural waters. Could cause local
dispose in accordance with local, and federal regulations.**

Precaution for handling and storage: Store ant room temperature.

Other precautions: Keep container closed and away from heat and flame.

Section VIII Control Measures

Respiratory Protection: None

Ventilation Data- Local: Preferable

General: N/A

Special / Unique: N/A

Protective Gloves: Rubber gloves

Eye protection: Goggles

Protective clothing: Rubber apron

Local work / Hygienic requirements: Follow proper hygiene practices. Wash hands.
