# F-MATIC Refill Fragrance Cartridges

## Pure Botanical Fragrance Cartridges

“F-MATIC systems accomplish the task of odour control and airborne bacteria reduction without the use of glycols or alcohol, resulting in cleaner, safer indoor air quality!”

### Features and Benefits

All natural – 100% organic, non V.O.C., environment/people friendly

Inconspicuous – effectively freshens small rooms while remaining obscure to discourage vandalism and tampering

No motorized parts – utilizes the natural air flow created by opening and closing the door

30-60 days usable service life – depending on temperature, humidity and air flow velocity

Durable – ABS plastic, chemical and stain resistant

### Where to Use

Use anywhere to eliminate the following odours: human waste, rest room, food service, banquet rooms, smoke, animal and garbage, perspiration and musty, health care and other human odours.

### How to Use

Simply place the appropriate cartridge in an F-MATIC dispenser and enjoy the air for 30-45 days, then replace. .
