

School Supply List

Dear Parents/Guardians and Students,

We hope this letter finds you in the midst of enjoying your summer vacation. In just a few weeks we will be beginning our school year together and we thought you might like to know which school supplies would be handy for you to have. Below is a starter list and as the year progresses, we will let you know if anything else is needed.

On the first day of school we will be sharing our favorite books and getting to know each other as readers, so, if you are an incoming second grade student, please bring your favorite book with you. It can be a picture book, a chapter book, a nonfiction book– whatever is your favorite. All you need to be ready to do, is talk about why you like it so much. If you are a new third or fourth grader, please be prepared to share your summer reading project.

We are looking forward to seeing you on September 3rd.

Sincerely,

Mrs. Gasaway

Mrs. Ouellette

PS

Our daily schedule will allow for a snack time in the morning and since we will be talking a lot throughout the year about keeping our bodies healthy, we strongly recommend that students bring healthy snacks, please refrain, however, from sending in snacks with nuts or peanut butter in them.
